8 Calls

July
7 Calls

Overnight Safety Business contacts. The red marked areas on the heat map indicate that the surrounded properties are visited more frequently.

Calls for service

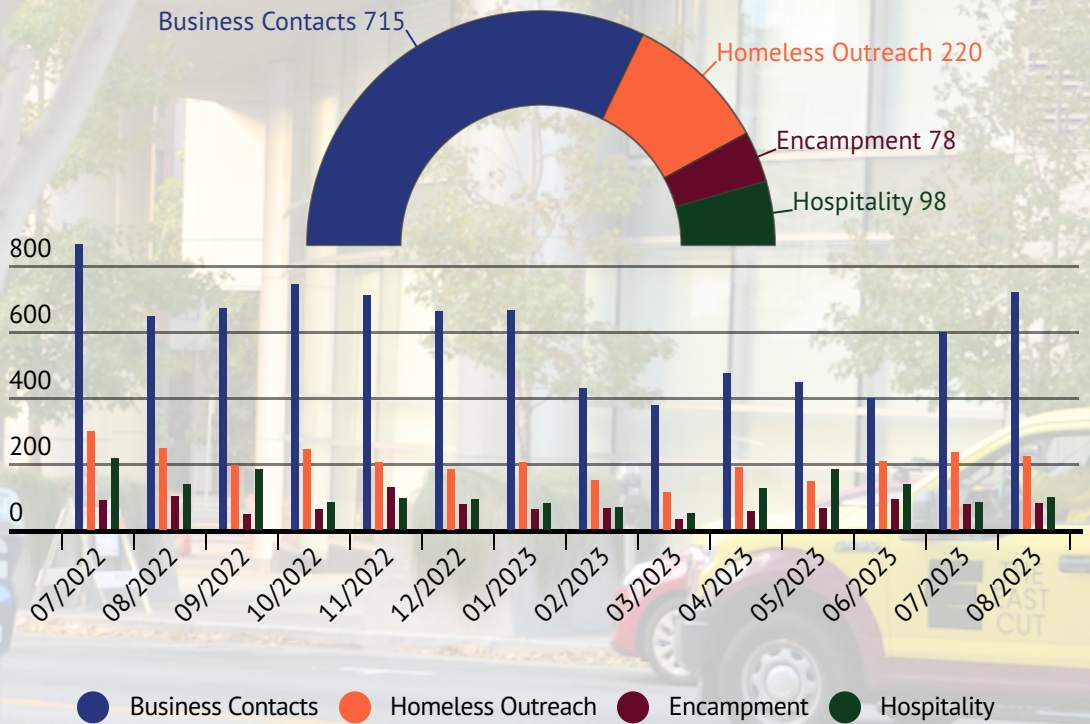

The Safety team received a call from 299 Fremont Street regarding an incident involving a naked individual displaying unusual behavior while walking in the alley between Fremont and Beale Street. The team quickly responded to the call, heading towards the alley and Beale Street. Upon arrival, the team noticed and observed the individual engaging in lewd behavior and walking towards Main Street. Without delay, the Safety team contacted SFPD and continued to monitor the individual until their arrival. The individual attempted to flee but was apprehended and arrested.

Before & After

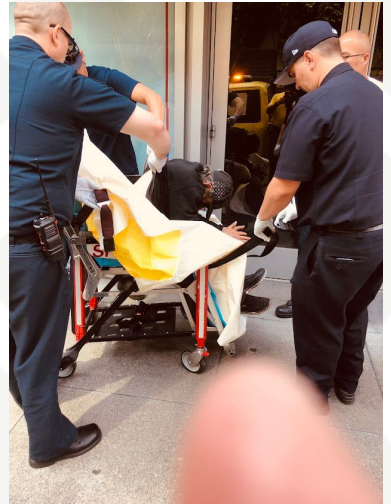

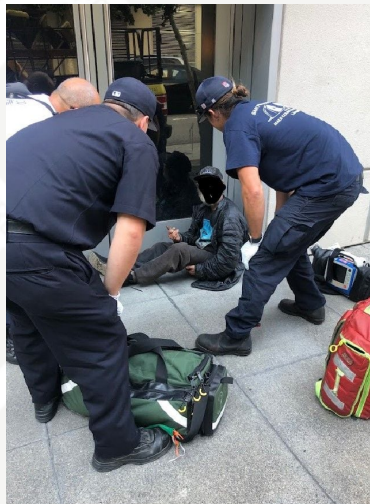

The team did a great job cleaning up lots of graffiti from the sidewalk in front of The East Cut Garden at 29 Essex. They took action by using special cleaner and high-pressure water to get rid of the graffiti.

Before & After

City tree wells are often neglected, but our services team prioritizes their upkeep. We not only maintain the public sidewalk but also ensure that the tree wells remain clean and free from debris.

The Services team not only keeps the neighborhood clean but also offers help to those in need. One of the team members noticed a man who seemed to be struggling. They asked if he needed medical help, and after a short time, they realized he did. They called an ambulance, and when it arrived, they spoke to the man and confirmed he needed medical attention. He was quickly taken to the local hospital.
