The overnight safety team saw two people having car problems. Safety ambassadors Masen (pictured in yellow) and Jordan stepped in and jumpstarted the car and added water to their radiator so their vehicle didn't overheat, making sure the individuals with car trouble could safely get home.

Before & After

The team did a great job removing the weeds from the planter beds on 2nd and Natoma St.

An abandoned encampment left scattered debris and cardboard boxes on Mission and 1st St. Our service team works hard to clean up the mess and keep the area clean.
