Team Highlights

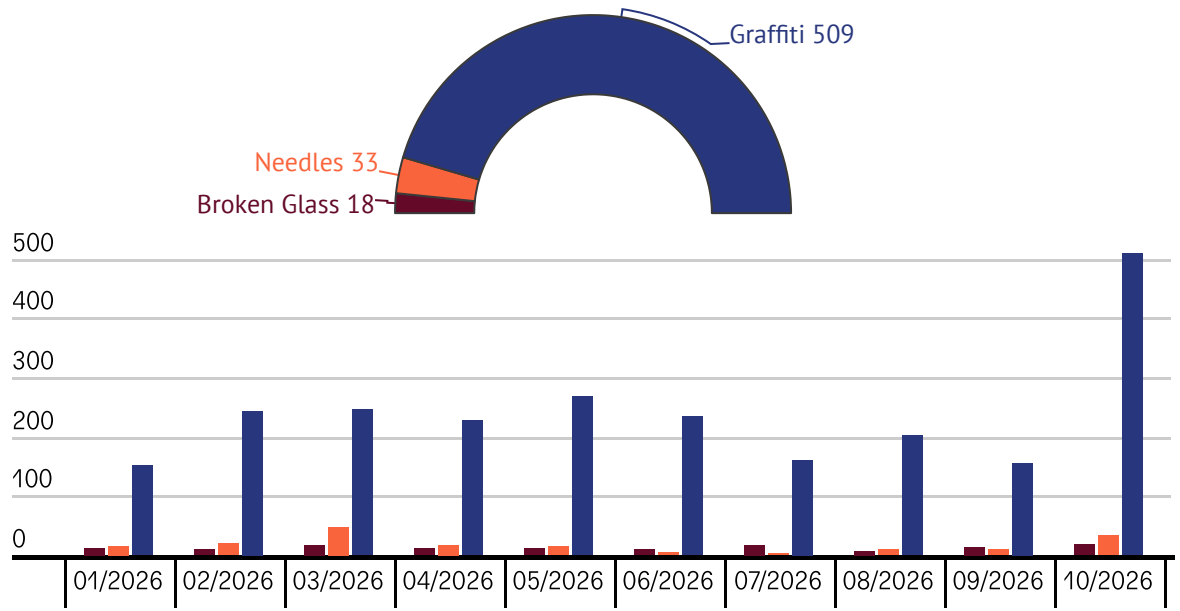

The East Cut is very excited to have Ambassador Kai Watts as part of our team! Kai has worked for SF Travel and Union Square Alliance, gaining the skills and knowledge that represent the Block By Block Mission. Since joining our team on October 1st, she has already made a huge impact, and we're excited to have her as part of The East Cut team

The Safety Team provides routine business check ins throughout the district, strengthening relationships with local workers and reinforcing that support is readily available when needed. The team proactively patrols poorly lit areas. Team members also conduct routine welfare checks on individuals throughout the district and contact the appropriate authorities or medical services when someone appears to need assistance. In addition, the team remains alert to criminal activity, observing and reporting crimes and suspicious activity to the local SFPD when necessary. Team members continue to monitor and report incidents, safety concerns, and quality-of-life issues throughout their shifts to help maintain a safe environment for the district.

Before & After

A trash can in front of 450 Harrison was found on fire. Our team immediately called 911, and the Ambassador contacted the property to obtain a fire extinguisher and successfully put out the fire. The fire department arrived shortly afterward to ensure the fire was completely extinguished.

Recology toters on 2nd Street between Natoma and Minna were rummaged through, leaving trash and cardboard scattered across the sidewalk and obstructing pedestrian access.Our team quickly cleaned up the debris and reorganized the toters, restoring a clear and safe path for pedestrians.
